AHRC Foundation Golf Outing a Success

(Brookville, NY) – It was a picture perfect day for the AHRC Foundation as it held its annual Margiotta Golf Outing at The Muttontown Club on September 11th. The Outing raised \$133,000 to benefit children and adults with developmental disabilities throughout Long Island.

The Golf Outing honored Robert Pascucci, President of Jobco Incorporated (GREAT NECK). As a member of the AHRC Foundation since 1999, and a trustee for the Foundation's Community Trust Program, Mr. Pascucci has been a longtime supporter of AHRC. In addition to his generous financial support, he has a strong dedication and personal interest in the mission of AHRC as his sister, Rosemary, lives in an AHRC community residence.

Mr. Pascucci is an active member of the Glen Cove community. He is a member of the Glen Cove Boys & Girls Club Board of Managers, The Green Vale School Board of Trustees, the World Presidents' Organization Metro (NY) Chapter Board of Directors, and the Madison Square Boys & Girls Club Bronx Board of Managers. He is a former founding member of the Glen Cove Downtown Business Improvement District (BID) Board and a past board member of the Glen Cove Chamber of Commerce and the Association for a Better Long Island. His professional affiliations include the American Bar Association, the National Society of Professional Engineers, the American Society of Civil Engineers, and the World Presidents' Organization.
